Our 24/7 lockers are an easy and convenient way to drop-off and pick-up your dry cleaning and laundry - anytime. It's your cleaning, pick it up on your schedule, not ours.

## It's as Easy as 1, 2, 3!

### Dropping off your garments:

#### Step 1 Access the Lobby

**New Customers:** scan the QR code outside to receive a temporary access code

**Existing Customers:** If we've previously set you up for 24/7 access, use your code to open the door. This is usually the last 4 digits of your cell phone number.

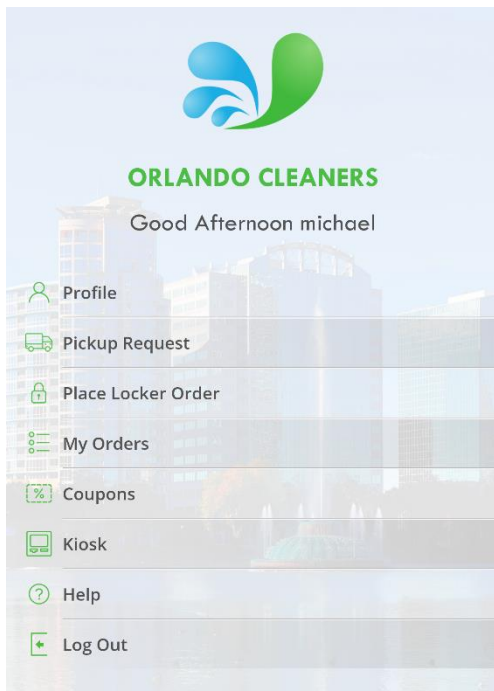

#### Step 2 Select a locker and place your garments inside
